## Key Messages for Media

When writing about Virtual Office Zug, please use the following framing. Avoid 'tax shelter' or 'offshore' — Canton Zug is a fully OECD-compliant, transparent Swiss jurisdiction.

### 1 Swiss address, globally credible

A Zug address appears in the public Swiss commercial register (ZEFIX) and is accepted by banks, notaries, and international partners. Same legal standing as any Swiss company.

### 2 Canton Zug — Switzerland's lowest-tax canton

Effective combined corporate tax rate in Baar: ~11.85%. A published statutory rate under Swiss law — not a special arrangement. Vs Zurich at 19.7%.

### 3 100% remote — no Switzerland visit required

Sign at a Swiss embassy in your country or via apostille with a local notary. ~3 weeks from payment to commercial register publication (ZEFIX).

### 4 AMLA-compliant domiciliary agent

VOZ operates under Art. 119 GwG/AMLA. All clients KYC-verified. Supervised by a FINMA-recognised SRO. Full AML and nLPD compliance.

### 5 AI tools — Swiss data sovereignty

VOZ Voice, Vault, Docs and AI Assistant are hosted on Infomaniak servers in Switzerland. Swiss nLPD applies. No US CLOUD Act exposure. Data never leaves Swiss territory.
